

8 May 2020, Bergen, Norway

TO WHOM IT MAY CONCERN

*I, Geir Christianslund, Senior Engineer Surface at Aker Solutions confirm that **DONELLI GROUP "Italy"** had many of our project in the period from 2011 until 2020, during this time they covered the position with professionalism and commitment to the tasks entrusted with his duties.*

*Particularly in this period of cooperation, the main features that we appreciate in **DONELLI GROUP** were its proper professional preparation, his knowledge of the regulations*

Norsok standard M-501 rev 6, surface preparation and protective coating and TR0042, for coating system 1A, 1B, 2A-2B Thermal spray, 3,5A 6A, 6C, 7, 9A with products from Jotun, International paint & Carboline, they have also been applying Chartek 7 for several of our projects.

They were always timeliness, combined with honesty and fairness.

I'm available to provide all the information that I could be requested.
